

Hello and thanks for participating in Lost and Found - a Shout Out Loud project!

Your Data:

Shout Out Loud is supported by the National Lottery Heritage Fund #KicktheDust programme and as such we collect further information from participants for evaluation purposes (things like age and postcode). This ensures that we are able to identify any particular groups of young people that we are not reaching, so that we might better connect with them and cater for their needs.

Any additional information you provide will be made anonymous and used solely for Kick the Dust and our own Shout Out Loud project evaluation, the data shared with our respective evaluator teams, Renaisi and Morris Hargreaves McIntyre (MHM).

If you would like more information on how English Heritage/Shout Out Loud collect, store and use your data, you may read Shout Out Loud's full privacy policy [here](#).

If you would prefer not to provide this additional information, it is not compulsory to do so.

If you have any queries, please contact us shoutoutloud@english-heritage.org.uk.
